ONE Premium CBD Seeds (VIRIDI UNIT SA)

At ONE Premium CBD Seeds, we value your privacy and data security. We do everything to make sure your data is safe with us, and only with us, at all times.

We strongly believe that your privacy should be our priority, and it is our responsibility to take care of your privacy. Since we're located in Switzerland, we are bound by GDPR (the General Data Protection Regulation). We regularly consult with our lawyers to stay on top of things, and we keep a close eye on all the data we process.

Rest assured, your data is safe with us. Continue reading our privacy policy to learn more about when we collect your information, what we do with it and how we protect it.

This Privacy Policy describes how your personal information is collected, used, processed and shared when you visit or make a purchase from <https://www.onecbdseeds.com/> (the "website"). It also informs you of your rights regarding your personal information that we hold.

## What is personal data?

Personal data is information relating to the personal or material condition of an identified or identifiable natural person, for example your name, address, telephone number, date of birth.

Information that is not directly or indirectly related to you (e. g. number of users of a page or popularity of a website) is not personal data. This anonymized data is used exclusively for statistical purposes and site optimization.

## Processing and use of personal data

The server of our website logs by default, in order to ensure system security, user login data, the pages they visit, the date and duration of the visit, the identification data of the types of browsers and operating systems used and the site from which they arrived on ours.

This data is recorded anonymously. They therefore do not allow the creation of personalized user profiles.

## Collection and management of personal data

If you wish to place an order on our site, you will need to provide us with the following information:

### Request form

First name Last name

Address (for sending the goods and the invoice)

Telephone number (to contact you in case of any changes)

Email address (for sending you the confirmation)

Credit card details if you choose this payment method

## Use of cookies

When you visit our site, information in the form of cookies may be stored on your PC, for example to identify your preferences and to structure the site accordingly. This helps us to facilitate navigation and improve the usability of the site.

Cookies are text files that are saved on the user's hard drive when they visit a website. They are safe for your PC and invisible to third parties. They allow information to be stored for a certain period of time and to identify the user's PC.

If you accept our cookies, they will remain on your PC for 30 days, unless you delete them beforehand. When ordering online, cookies are stored for the duration of the operation. They are automatically deleted after 30 minutes of inactivity or when the site is closed.

You can refuse at any time the collection and recording of your data by this service. All you have to do is disable cookies on your browser. Simply note that this deactivation may restrict the use of the site and the services offered.

## Using Google Analytics

This website uses Google Analytics, a web analysis service of Google Inc. 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA (hereinafter "Google"). Google Analytics uses cookies that it stores on your PC to analyze your use of this website. The information collected by cookies about your use of the website is generally transmitted to a Google server in the United States, where it is stored.

We draw your attention to the fact that on this website, Google Analytics has been extended to the code "gat.\_anonymize();" in order to ensure anonymous IP address entry ("IP masking"). If this option is enabled on our site, Google truncates your IP address within the Member States of the European Union or parties to the European Economic Area Agreement.

Only in exceptional cases is your complete IP address transmitted to a Google server in the United States to be truncated there. Google uses this information to evaluate your use of our website, to provide us with reports on website activity and to develop new services related to website and Internet usage.

The IP address transmitted by your PC via Google Analytics is not mixed with other data held by Google. Google will only transfer this data to third parties if required to do so by law or in the context of data processing by a service provider. He never mixes them with other data he has entered.

By using this website, you declare that you agree to the processing of data about you by Google, the type of data processing described above and the stated purpose. You can prevent cookies from being saved by changing your browser settings. You can also prevent data entry and processing by Google by downloading and installing the browser plug-in available here:  
<http://tools.google.com/dlpage/gaoptout?hl=en>.

## Newsletter

On our website, you can subscribe to our free newsletter, which contains news, special offers and contests. To subscribe, you must provide us with the following information:

### Request form

First name, last name (the recipients of the newsletter are called by their name)

Email address (to send the newsletter)

To receive the newsletter, you will need to subscribe expressly through a double confirmation procedure. You can unsubscribe at any time, either by contacting us directly or by clicking on the unsubscribe link included in each newsletter.

## Application forms

On our website, you have the possibility to contact us on all kinds of subjects. Depending on the subject of your message, you will need to indicate different elements on the form. Personal data such as call form, surname, first name, telephone number and e-mail address must be provided almost systematically so that we can answer you.

## Data Security

The data is transmitted via a secure SSL connection, so that no unauthorized third parties can access it. SSL protected pages are those whose address does not start with the usual <http://> but with <https://>. Most browsers also display a small closed padlock, for example in the status bar at the bottom of the screen.

## Links to other sites

The site contains links to third party sites. The latter are not affected by these provisions. We have no influence on the adoption of and compliance with these terms and conditions by the operators of third-party sites and therefore assume no responsibility for the accuracy, currency and completeness of the information contained therein.

## Transfer of data to third parties

We do not transmit any data to unauthorized third parties, unless required by law or judgment.

We may also mandate service providers (data processors such as data centers or letter shops) bound by instructions to operate the site or send mailings and e-mails. These service providers have access to personal data only under the conditions of processing, use and duration provided for in their mandate.

## Right of access and withdrawal

You have the right to object at any time to the storage of your personal data, unless there is a contractual or legal provision against it.

We provide you with free information on the archived data concerning you on request. You also have the right to rectify, delete and block your personal data. Their deletion may be subject to legal requirements, in particular for data required for accounting purposes.

The data will be deleted if none of the reasons mentioned above require archiving.

The personal data you have provided during a contact or order will be used to send advertising emails. You may object at any time by writing to [orders@vunit.ch](mailto:orders@vunit.ch).
